

# Tuesdays with demy - Digest #3

## Reflective Question

“

What Slack hack will you immediately start using?

”

## Resources

### Cheat Sheet:

## Key Takeaways

Don't let Slack control your day; take control and customize it to fit YOUR needs.

Slack integrations, advanced settings, and shortcuts.

## 3...2...1... Action!

Customize your settings: Set-up keywords so you get notified when those are mentioned.

Mute channels that are for your information vs. your action.
